

UpToSkills Login Page –

The Login Page allows users to securely access the UpToSkills AI Resume Builder platform.

Purpose

- Authenticates users before granting access to the dashboard.
- Provides multiple login options for convenience and security.

Key Components

1. Brand Identity

- Displays the **UpToSkills logo** at the top to maintain brand consistency and trust.

2. Login Form

- **Email input field** for registered email address.
- **Password field** with visibility toggle for user convenience.
- Ensures secure and straightforward authentication.

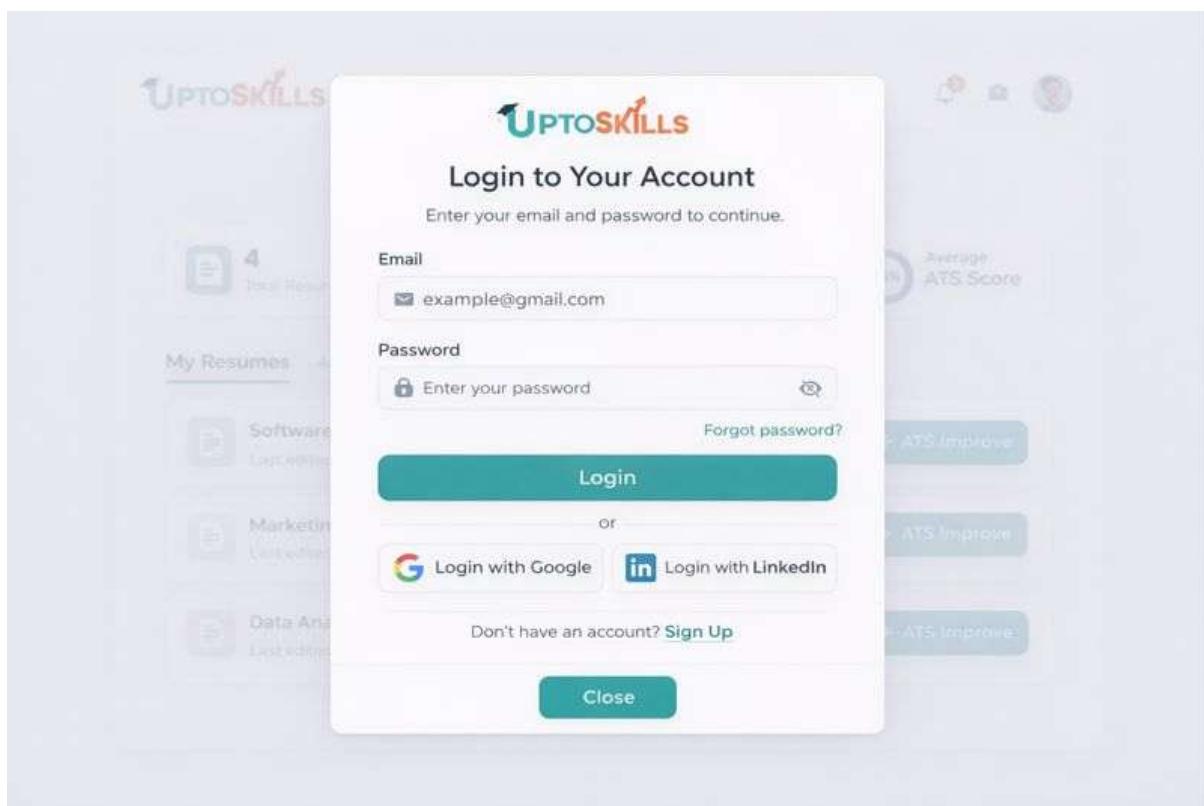

3. Forgot Password Option

- Allows users to recover access if they forget their password.

4. Primary Login Button

- Enables users to sign in using their email and password.

5. Social Login Options

1. AI Resume Builder Dashboard Page

The screenshot shows the UPTOSKILLS AI Resume Builder dashboard. At the top, there's a navigation bar with the logo 'UPTOSKILLS', a search bar, and user profile icons. Below the navigation is a teal header bar with a 'Create New Resume' button. Underneath are four summary cards: 'Total Resumes' (4), 'AI Improvements' (27), 'Downloads' (19), and 'Average ATS Score' (84%). The main content area is titled 'My Resumes' with tabs for 'All', 'Favorites', and 'Archived'. It lists three resumes: 'Software Engineer Resume' (last edited yesterday, 82% ATS), 'Marketing Manager Resume' (last edited 4 days ago, 90% ATS), and 'Data Analyst Resume' (last edited April 17, 2024, 57% ATS). Each resume card includes an 'Edit' button and an 'ATS Improve' button.

This page serves as the **central control panel** for users to manage their resumes efficiently.

Key Purpose

- Provides a quick overview of resume activity and performance.
- Allows users to create, edit, improve, and track resumes in one place.

Main Features

- **Create New Resume** button for starting a resume instantly.
- **Dashboard statistics** showing total resumes, AI improvements applied, number of downloads, and average ATS score.
- **My Resumes section** listing all created resumes with:
 - Last edited date
 - Individual ATS score
 - Quick actions like Edit and ATS Improve
- **Search bar and profile area** for easy navigation and account access.

User Benefit

- Saves time by giving a summarized view of progress.
- Makes resume management simple and user friendly.

2. ATS Score Details Page

This page explains **how ATS compatibility is calculated** for a selected resume.

Key Purpose

- Provides transparency into ATS scoring.
- Helps users understand strengths and improvement areas.

Main Features

- **Overall ATS score (out of 100)** with a visual progress indicator.
- **Detailed score breakdown** based on:
 - Role relevant keywords
 - Skills and technologies
 - Experience and projects
 - Certifications
 - Education

- Formatting and structure
- ATS compatibility
- **Performance label** such as “Very Good”.
- **Actionable tip** suggesting the ideal ATS score for better job shortlisting.

User Benefit

- Helps users optimize resumes for applicant tracking systems.
- Guides targeted improvements instead of random edits.
- Increases chances of resume shortlisting by recruiters.
